Candidate for Convenorship of JTC 1/SC27/WG 3

ITS, Sweden is pleased to announce that Mr. Mats Ohlin, Chief Engineer IT Security, at the Swedish Defence Materiel Administration (FMV), has offered to and is fully sponsored to take on the convenorship of JTC 1/SC 27/WG 3.

Please find below a brief presentation of Mr. Ohlin, who has been an active member of JTC 1/SC 27/WG 3 for many years.

Mats Ohlin is currently Chief Engineer IT Security at the Swedish Defence Materiel Administration (FMV). He was appointed as a Strategic Expert, IT Security at FMV in 1995. He holds a Master of Science from the Royal Institute of Technology in Stockholm (KTH).

Mats Ohlin has been a member of SC 27/WG 3 since its start in 1990. He is also a member of the Swedish standardisation group working with IT Security (ITS/AG27). Mats Ohlin is a well-known expert in the IT security arena and is a frequent lecturer in the field.

His involvement with IT Security within the Swedish Defence has close relations to the development of evaluation criteria as well as the use of such criteria. He has been one of the two Swedish representatives in the EU Commission's Senior Officials Group - IT Security (SOG-IS).

FMV is prepared to make available the necessary administrative support for the WG 3 secretariat.

Yours sincerely
